

Water Garden City hosts the first Aquathlon Race of the season

With a number of restaurants on the waterfront and various activities for children

Manama, Kingdom of Bahrain 13th September 2017: Al Bilad Real Estate Investment Company, one of the leading real estate developers in the Kingdom of Bahrain and the Master Developer of the Water Garden City development, announces that it will host the first Aquathlon race for the seasons, which is organized by the Bahrain Road Runners on:

Friday, 15th September 2017, at three o'clock in the afternoon.

The Aquathlon will include races for both children and adults; swimming in the Marina followed by a run along the newly opened Financial Boulevard : the first children age category race will take place for children aged 6 to 8 years, for a distance of 50 meters swim and 400 meters run; the second age category, for children aged 9 to 11 years is a distance of 100 meters swim and 800 meters run and finally the third age category from 12 to 15 years, with 200 m swim and 1 km run.

The adult race begins with 600m swimming, followed by the running for a distance of 6 kilometers.

WATER GARDEN CITY

All the races will start and then finish at the Pearl Island. In order to create a family atmosphere full of joy and fun, the event will include many entertainment programs that are suitable for all family members. In addition to the restaurants and cafés, there will be games for children's and face painting, as well as cash prizes for the winners.

Commenting on the race: the host, Eng. Zeyad Abdulatif Janahi, General Manager of Al Bilad Real Estate Investment Company, said: "We are delighted to host the first Aquathlon race of the season. This event is in line with our vision for Water Garden City to be the fun-fit city. By hosting this race, we aim to increase community awareness about the importance of physical activity combining it with fun and at the same time showcasing Water Garden City as a new destination for family entertainment.
