

## **3KM Charity Glow Run Lights up the Night at Water Garden City**

As part of its corporate Social Responsibility, Albilad Real Estate Investment Company hosts a Charity Glow Run and Film fest at Water Garden City

On November 4th, Boost Bahrain in collaboration with Building Bridges Film Fest held a 3KM Charity Glow Run at Water Garden City, Seef. The Film Festival is currently running 15 days of internationally acclaimed movies around venues in the Kingdom. All proceeds go to charitable programs for Syrian refugees in Europe, including creating and funder shelters in Greece.

Over 300 people joined Saturday's event. It kicked off with a great performance by South African Singer/songwriter Byron Gindra, and then the Boost Bahrain 3 KM Glow run, followed by "Rising From Ashes" a moving and uplifting documentary that chronicles the creation of Rwanda's first cycling team as they struggled to overcome the horrific legacy of the genocide that occurred a generation earlier. Adrien Niyonshuti who is a professional cyclist for the South African UCI World Team "Team Dimension Data" was featured in the film and was also at the event on Saturday.

The Building Bridges Film Fest is still in town till November 15th. Visit their website: [www.buildingbridgesfilmfest.com](http://www.buildingbridgesfilmfest.com) for more information and ticket sales.

Boost Bahrain is a sports event management company that creates, develops, and organizes events in the Kingdom. To contact them or for information about their events visit their website [www.boostbahrain.com](http://www.boostbahrain.com) or follow them on FB or instagram @BoostBahrain.
