

BIPEX 2017 ANNOUNCES DIAMOND SPONSOR ALBILAD REAL ESTATE

Leading real estate investment company will showcase their major development Water Garden City during the exhibition

October 2017- Albilad Real Estate joins the 10th edition of the Bahrain International Property Exhibition as a Diamond Sponsor. Bipex will be held in the Kingdom of Bahrain from October 26th-28th held under His Excellency Deputy Prime Minister Sheikh Khaled bin Abdulla Al Khalifa at the Bahrain International Convention & Exhibition Centre.

Albilad Real Estate will showcase their multi-million dollar development “Water Garden City” in a prime location in the Kingdom of Bahrain, Seef District. The integrated lifestyle community is predominately residential with a range of services that include leisure facilities, retail, restaurants, hotels and offices. The three separate precincts of Water Garden City offer residents and visitors different lifestyles and are identified by themed signage, landscaping, building materials and styles. Each of the precincts is further divided creating a total of nine neighbourhoods, each with their own distinct appeal and key community features.

Albilad as the Master Developer for Water Garden City is looking forward to progressively deliver on its promise of “A well planned, sustainable, exciting and vibrant activity ‘Urban Lifestyle Hub’ where local residents, tourists and visitors can live, work, play, relax with friends and socialize as a family in a safe and truly modern city space”.

Al Bilad Real Estate Investment Company was founded in the Kingdom of Bahrain in 2006 as a limited liability company. The company is strategically owned by a number of local investors; regional investors. Primarily the company is active in the real estate development and investment field. The company offers services and expertise in management and concept evaluation, planning and development, design, construction and operation maintenance of real estate properties in the Kingdom of Bahrain and throughout the GCC region and MENA countries. Since Albilad began operations in 2006, they have thrived in being a leading real estate investment company established by a world-class professional and experienced team.

Commenting on their participation, Eng. Zeyad Abdulatif Janahi, General Manager of Al Bilad Real Estate Investment Company said:” We are pleased to continue our support of Bipex on its 10th edition as a Diamond Sponsor, where we aim to showcase the Promenade Dining Strip component the first of its kind concept in the Kingdom of Bahrain and the investment opportunities available in Water Garden. We look forward to welcoming you to our stand No.D13

Speaking on Behalf of BIPEX 2017, Mr. Mohammed Khalil Alsayed, and BIPEX Chairman said: “We are delighted to welcome Al Bilad as our Diamond Sponsor in this year’s 10th edition. The major new mixed-used waterfront development in Bahrain will create a well planned and vibrant hub for the local community and tourists. We thank Al Bilad for delivering their promise to support the Bahrain real estate market by sponsoring this event.”

BIPEX 2017 will take place at the Bahrain International Exhibition and Convention Center. As Bahrain’s leading property show, BIPEX holds a significant place on the Kingdom’s real estate industry calendar of events. A professionally organized non-profit event, it serves as a bellwether for the industry, offers a

platform for gaining insight into the sector's performance and future direction, and promotes the region's major infrastructures and real estate properties.

The event's organiser is the Bahrain Society of Engineers (BSE), the premier body representing engineering professionals in the Kingdom. It is tasked with managing each BIPEX event in Bahrain. The organisation was established in 1972 as a professional voluntary non-profit organization. It seeks to advance the engineering profession, while striving for continuous skill enhancements through training and the conducting of technical and professional development programmes.
